ICE HOCKEY WORLD CHAMPIONSHIP 2014

At the International conference of Ice Hockey Federation in 2009 in Zurich (Switzerland) Minsk (Belarus) was elected a venue of the 78th Ice Hockey World Championship 2014. Under a decree of the President of the Republic of Belarus there is a visa-free entry for foreigners during the championship since April 25 2014 till May 31, 2014. In addition to this, compulsory medical insurance is abolished for this period in order to facilitate entry to the Republic of Belarus.

In February 2012 CENTREKURORT was declared the official tour operator of Ice Hockey World Championship 2014 in Minsk due to a tender's results. Today CENTREKURORT has an exclusive right to form tour packages.

Matches of the championship will be held at two largest multifunctional complexes "Minsk-arena" (15 000 places) and "Chyzhovka-arena" (10 000 places).

Our company has booked 20 000 places of dwelling in Minsk hotels and hostels for fans and guests of the championship.

In order to attract more fans and tourists to Minsk during the championship Ice Hockey World Championship 2014 Directorate, Municipal Executive Committee of Minsk and Republican Unitary Enterprise «CENTREKURORT» suggested hotels, hostels and other objects which provide dwelling to sign a memorandum, which controls tariffs of Minsk hotels during Ice Hockey World Championship 2014 in Minsk.

For the same purpose responsible authorities decided to create a Fan-village, which will function during the championship. Fan-village represents a complex of 7 dormitories which offer guests comfortable accommodation. Apartments in the Fan-village consist of 2 rooms (maximum capacity - 5 people), WC, a bathroom, a kitchen with a refrigerator and a cooker. During the championship there will be available a Fan-zone and a covered skating rink with 2 ice grounds.

Specialists of CENTREKURORT have developed special tour packages that include basic and additional services:

1) VIP-package includes the following basic services:

- tickets to matches;
